

## Covid-19 Policy from Discovery Home Inspection

Dear valued customer and real estate professionals,

We at Discovery Home Inspection take the safety of all parties involved in a real estate transaction seriously. In Lieu of the current Anchorage recommended Covid-19 precautionary measures, we request that if you must attend the inspection we ask that you limit participants, maintain proper social distancing behavior and refrain from touching surfaces within the home. Our inspectors will be wearing appropriate PPE which makes discussion during the inspection difficult. If you do not attend for these reasons, we will be available by phone, email or text if you have any questions regarding the inspection findings.

We appreciate your business and are happy to serve you during your real estate transaction; however, we feel these safety protocols are important for everyone during this rapidly developing pandemic. We will email an invoice through Square prior to the inspection which you may pay online with a credit card. As always, you will receive our greatest effort during the inspection and receive your report within 24 hours of completing the inspection.

Please let us know if you have any questions about the inspection and we would be happy to speak with you before or after the inspection to address any of your specific concerns.

Best Regards,

David Mortensen
